VOLUME 4. MARYVILLE, MISSOURI, THURSDAY, JUNE 12, 1913. NO. 8.

MRS. BAXTER HERE

TO SPEAK TONIGHT AT THE FIRST M. E. CHURCH.

TO TELL OF CIVIC WORK

In Her Home Town, Kirksville, and Will Suggest Things for a Clean-Up for Maryville.

Tonight is band concert night.

But don't forget that it is to be in the First M. E. church instead of on the court house lawn.

The concert will begin at 8:10 sharp, and at 8:30 Mrs. Clarence Baxter of Kirksville will speak to our citizens and tell them how Kirksville came to be known as one of the cleanest cities in the country.

Mrs. Baxter arrived in Maryville Wednesday night and is at the home of Dean and Mrs. G. H. Colbert. She received many calls today from people who are interested in civic work, which shows that her visit to our city is going to count for something.

As a little Kirksville boy said the other day, "Mrs. Baxter is Kirksville's greatest woman, even though she hasn't got an automobile."

She seems the embodiment of the Kirksville spirit, and that spirit seems summed up the word "WE." In telling of some of the things that have been done in Kirksville through a co-operative movement for the sole object of "A Clean and More Beautiful Kirksville," she said "we," always. Not once did she say "I," until she was asked if she had been in the habit of speaking in public, as to how it comes that she is called for all over the country to tell how people may work together in cleaning up a town.

"Did I ever make a speech? Why, I had never so much as 'spoken a piece' in my life, and I shall never forget the morning five of we Kirksville women went to the city council room to ask the help of the mayor and his council to help us get rid of the flies that were about to take us. We stood outside of the building a long time, each trying to get the other to make the speech to the mayor, all of us scared to death. At last we decided that since one of our number had studied elocution, she was the one to make the speech. And she did. We found our councilmen willing to help us, and then we found nearly all our grocerymen and meat market men ready to respond in the work of "swatting the fly," and they were glad of suggestions that would help them to get rid of the death dealing pests. We had moving picture shows showing how the fly worked havoc in every place in a community if unmolested, and that is the way the work began. The whole town gradually became interested, until now everybody in Kirksville counts for something and is doing something every day that is helping to make our town cleaner and prettier and better in every way. We are all so interested that we all talk, and that is how I came to talk. I was so interested and happy over what was being accomplished that I could not keep from talking, and that is all there is to it. It is the happiest life in the world, this working together for the common good of all."

Mrs. Baxter is a charming woman and a delightful talker. She will have many things to show and suggest in her speech tonight that will entertain everyone. A woman that has confidence in people enough to keep two lawn mowers on hand to loan all the time, and whose experience has been that they are now in good condition, excepting that one must be sharpened this week, the first time in two years, and there hasn't been a screw loose or anything else wrong with them, and they are out all the time, and she always has a waiting list, well, she must be worth hearing.

Mrs. Baxter is one of the best known club women in the country. She was called to attend the general federation in Washington, D. C., two years ago, when 250 women were present. This year she attended the meeting again, and there were 2,024 women there, which shows how the co-operative movement is growing.

Maryville is just now at the threshold of a clean-up campaign in preparation for the dedication of the great white way, and it is the desire of everyone that it should be made a permanent thing.

Maryville occupies a most enviable place as a city of beautiful homes, but we must acknowledge that there are many things that must be done before she may be counted among the towns of our state that are advanced along civic lines. We are up, real up, on automobiles and other material things, but when it comes to the things that count for so much in life but do not cost so much money, we are away behind.

Mrs. Baxter is at the head of the civic work in Kirksville. So great is the confidence of the people in her that she has been given permission by the mayor to sign his name to any order or proclamation in the interest of Kirksville she may see fit, and it would meet his approval.

MISSOURI GOING DRY?

The Tenth Successive Victory for the Drys Since January 1 Came Tuesday.

Missouri took another stride toward prohibition Tuesday when Nevada, one of the few remaining "wet" towns in Southwest Missouri, cast out the saloons by a majority of eighteen votes.

The Nevada local option combat was the last of twelve elections called since the first of the year to be held before the county unit law goes into effect June 22. The elections result in the most remarkable succession of victories the "drys" ever have won in the state. They came through without losing once. More than a dozen towns and small cities that have been wet since Missouri became a state are without saloons as a result. Here they are:

Neosho (Newton county)—Dry by 136; was dry by 36.

Phelps county—Dry by 361; was wet by 359.

Eldorado Springs (Cedar county)—Dry by 114; was wet by 36.

Crawford county—Dry by 560; was wet by 783.

Monroe county (including Paris)—Dry by 271; was wet by 41.

Vernon county—Dry by 1,313; was dry by 925.

Livingston county (outside Chillicothe)—Dry by 700; was dry by 1,180.

Montgomery county—Dry by 250. This made Montgomery City and Wellsville dry.

Chariton county—Dry by 179; wets had won last fall, but election was illegal. Keytesville, Salisbury and Brunswick, all went dry.

Nevada—Dry by 18; was wet by 150.

ATHLETICS LOST THE GAME

In the Normal Base Ball League—The Standing of the Teams in the League.

Good pitching by Adams and poor fielding by the Athletics broke the clear record of the Athletics in the Normal league. Adams allowed only four hits, while the two opposing gave nine. Six errors also hurt the Athletics' chances to win.

Batteries—Cubs, Adams and Hosman; Athletics, Ham, Treasurer and Miller.

Score—Cubs 10, Athletics 2.

The standing of the teams follows:

	Won.	Lost.	Pr.ct
Giants	2	0	1.000
Athletics	2	1	.666
Cubs	2	1	.666
Pirates	0	2	.000

Accidentally Shot.

Rex Hopple, a 14-year-old lad, and a son of Fred Hopple, who resides on the Felix Brown farm, east of Hopkins, was accidentally shot last Sunday by his younger brother. The boys were at play near the pond, the younger one having a 22-caliber target rifle, which he accidentally discharged, the ball passing through the thick part of his brother's right leg. The ball passed entirely through the leg, just missing the big artery. As it was, he bled profusely, but was able to walk to the house. Dr. Kirk of Hopkins was summoned and dressed the wound and the boy is getting along all right.

Miss Anna Bertha Engelmann left Thursday on a visit to friends in Council Bluffs, Omaha and Lincoln, Neb.

JUNE EIGHTEENTH

EVERYBODY PUTTING DOWN THAT DATE ON HIS TAB.

THEY ARE ALL COMING

The Opening of the Great White Way Will Be Maryville's Biggest Event.

"Well, you goin' over?" "Guess I'll have to." "The eighteenth? I might as well go down then." Those were expressions heard all along the route of the white way boosters yesterday. The trip was a success in every way. The roads were good; the weather just right; there were no delays; at every stop a good reception was given to the party; and, best of all, the people along the route expressed their intention of coming to Maryville for the opening of the white way.

The autoists left Maryville an hour late yesterday, but the good roads made it possible for them to make up time. An hour and twenty minutes were given for dinner at Blockton, Ia., and the cars reached Maryville between 5:30 and 6 p. m.

There were two especially fine stretches of road, one between Hopkins and Bedford, and the other this side of Grant City. The only bad pieces of road were bad, not because of neglect, but because they were being made better. Men with plows and scrapers were at work grading and draining these roads, and as soon as they become hard the route will be one continuous stretch of smooth, wide road.

The only inconvenience on the trip was the dust, made bad because of the number of cars. This bothered, however, only when the cars were bunched. It did not take long after leaving a town for the cars to get separated, and then with the cool weather and all better motoring could not have been asked for.

The Hopkins Journal, in speaking of the boosters visiting Hopkins, said:

George B. Baker of the Real Estate bank of Maryville was so smitten by the charms of the Hopkins ladies that he fell at the feet of one of our most prominent ones while ascending the steps to the Bank of Hopkins, but he need now worry as we will not send a copy of this issue of the Journal to his wife. A "smile" could not have caused his downfall for, unlike Col. Roosevelt, Mr. Baker is a teetotaler.

REQUESTED TO DECORATE.

As Saturday is Flag Day, Business Houses and Residences Should Be Decorated With Flags.

Saturday is flag day and is the one hundred and thirty-seventh anniversary of the American flag. The D. A. R. chapter here will observe the day in a fitting manner, and they would like to have all of the business houses and residences decorated with flags on that day.

Motored From Chillicothe.

Mr. and Mrs. B. T. Clark of the New Leeper hotel of Chillicothe arrived in Maryville Wednesday noon in the Studebaker Six and will remain until the week end with Mr. Clark's parents, Mr. and Mrs. A. T. Clark of the Linville hotel. Their son, Bertram, has been spending the past ten days in Maryville with his grandparents, and will return home with them. The visitors and the Linville host and hostess will return home by way of Savannah and St. Joseph, making stops there for a visit. At Savannah they will attend a picnic party at Lillibridge's lake, where the relatives of Mr. and Mrs. A. T. Clark will be the guests.

Guests of the Wallaces.

Miss Liva Lee Beaver and Clayton Bever of Elmo came to Maryville Wednesday and will spend a few days at the home of Mr. and Mrs. Levi Wallace, northeast of Maryville. They were accompanied to Maryville by Mrs Vern Gates, who spent the day here.

Visiting at the Junction.

Misses Maude Eversole, Hazel Garrett, Gladys Holt and Ralph Wilson Eversole went to Burlington Junction Wednesday to visit Mrs. Fred Nicholas.

Mr. and Mrs. A. C. Nicholas and daughter, Eleanor, went to St. Joseph Wednesday evening to spend a few days with Mr. and Mrs. N. K. Manning.

COURT NEXT WEEK

LIGHT DOCKET FOR JUNE TERM, WHICH OPENS MONDAY.

TUESDAY DIVORCE DAY

Nineteen Cases Set for Trial—There Will Not Be Many Jury Trials at This Term.

The June term of circuit court will convene in regular session on Monday, with Judge W. C. Ellison on the bench. This term is not a heavy one, but still there will be plenty of work and cases that will be tried.

The indications at present are that there will not be many jury cases tried at this term. At least it is always the custom at the June term of court not to try many jury cases, owing to being the busy season of the farmers. These cases will go over to the September term of court, being the new term of court as provided by a law passed by the last legislature, and which goes into effect on June 22.

The first day of the term will be taken up with parole cases and several equity and perfect title suits.

Tuesday is divorce day and there are nineteen divorce cases on the docket. They are as follows: Jennie Colden vs. C. J. Colden, Stella Gross vs. Henry S. Gross, Altha Sexton vs. Benjamin Sexton, Phrana Cooper vs. Frank Cooper, Myrtle P. Appleby vs. Hubert A. Appleby, Emma F. DeMoss vs. Fred T. DeMoss, Stephen D. Large vs. Sadie E. Large, Edna Carson vs. B. F. Carson, Ethel West vs. Harry West, Dora K. Younger vs. Orville A. Younger, Frank Welch vs. Anna Welch, Maud Norman vs. Charles E. Norman, Maggie B. Graves vs. James Clarence Graves, Rheta Nichols vs. Carl A. Nichols, Lizzie M. Ailen vs. James M. Allen, Grace Masters vs. Fred Masters, Ethel Lasley vs. Clarence H. Lasley, Laura I. Womack vs. C. G. Womack, Don A. Belcher vs. John T. Belcher.

Many perfect title and partition cases will be tried by the court, but many of the cases will, no doubt, go over to the September term.

C. O. D. BY PARCEL POST.

Instructions Issued to Postmasters Effective July 1 Provide for Collection Fees.

Instructions to postmasters were issued Wednesday by the postoffice department at Washington for handling of C. O. D. parcel post packages. The regulations will be effective July 1.

Charges on packages will be collected from addresses on and after the date provided the amount of a single parcel does not exceed $100. The fee for collection will be 10 cents in parcel post stamps to be affixed by the sender. This fee also will insure the package against loss to the actual value of the contents, not exceeding $50.

Ford Autos to Parnell.

Roof & Gray of Parnell received two new Ford autos Thursday from St. Joseph. Otis Gray and John Gill of that town drove the cars back to Parnell by the way of Maryville.

Three Mule-Footed Pigs.

A shipment of three mule-footed pigs was received last week from Michigan by Thomas Mathers of Hopkins, who expect to start a herd of these hogs, it being claimed that they are immune from cholera.

Sold His Auto.

Charles S. Jackson sold his four passenger Studebaker "30" this week to Charles Hensen of Pickering. Mr. Jackson purchased from Mason & Wilderman a new 1913 Studebaker "33." The new car is a six passenger machine.

To Albany in October.

Adelbert McMillen, who is visiting his parents, Mr. and Mrs. C. G. McMillen, at Pickering, was in Maryville this week. He will return to Columbia next week, where he has charge of the main reading room of the library of the state university during the summer school. He will return to Maryville about the middle of August and visit home folks until the first of October, when he will go to Albany, N. Y., to attend the library school.

Miss Mary Angell went to Pickering Thursday for a visit with Mr. and Mrs. George McArthur.

CONGRESSMAN LANDIS COMING.

Will Be One of the Speakers at the 1913 Maryville Chautauqua in August.

Manager P. O. Landon received word Thursday morning from Congressman Landis of Indiana, in which he said that he would be able to appear at the Maryville Chautauqua in August, and accepted Mr. Landon's invitation to speak here. Congressman Landis will prove one of the principal speakers on the program.

Another great speaker will be Rev. Dr. William Spurgeon of London, England, a nephew of Dr. Charles Spurgeon of London, who was one of the greatest preachers the world has produced.

The Ewing Zouave band of twenty-five members will open the Chautauqua program. The members of this band will put on acrobatic stunts, such as barricade flying and drilling, etc., in the open during the day.

Manager Landon is getting on famously with the Chautauqua program and has only one more program to secure and a few bands to line up and everything will be ready.

COMMISSION TO DARLINGTON.

Will Confer With the Gentry County and Worth County Commissions.

The Nodaway county highway commission, composed of John Clary, E. H. Bainum and S. H. Conlin, went to Darlington Thursday for the purpose of meeting the Gentry and Worth county commissions. They will discuss the routes between Maryville and Grant City, and Maryville and Albany, and will probably make some decision.

The commission on Wednesday inspected the road from here to Wilcox, Clearmont, Braddyville, and then returned to Clearmont and on to Burlington Junction. From the Junction they went to Tarkio and Rock Port. From Rock Port they went to Fairfax and on to Skidmore. From Skidmore they went to Quitman and on to Burlington Junction and then back to Maryville by way of Wilcox.

The commission is still undecided about the Maryville-Rock Port highway after inspecting all of the proposed routes for that highway.

TO OBSERVE FLAG DAY.

The Union Forum of Pickering to Render Program at That Place on Saturday Evening.

The Union Forum, an organization composed of the citizens and business men of Pickering, will render a flag day program at Pickering on Saturday evening at 8 o'clock. Saturday is flag day. The program will be given in the Christian church of that town, and the public is cordially invited to attend. The program follows:

Instrumental duet—Misses Irene Burks and Cloe Neal.

Music.

Reading—Mabel Clayton.

Instrumental duet—Misses Everhart.

Solo—Mrs. Roy Wolfers.

Speech, "Our Country's Flag"—O. G. Null.

Music.

Business meeting of the Forum. At this meeting the organization will be perfected.

ELECTED TREASURER.

Charles Buhler Selected to That Office by the Missouri Catholic Order of Foresters.

Charles Buhler of this city was elected treasurer of the Missouri district of the Catholic Order of Foresters at their meeting held in St. Joseph this week. The next convention will be held in Concordia, Kan., the second week in June, 1915. A. Rommele of Clyde was selected as one of the trustees of the order.

Was Operated On Five Times.

Dow Cook, son of Mr. and Mrs. T. H. Cook of this city, has been operated on five times by Dr. Murphy, the noted specialist, at the hospital in Chicago. Dow has a diseased hip joint. In writing to his parents, Dow says that they need not work, as he is getting along nicely, and while he has been operated on five time, he said he could stand all the operation that Dr. Murphy could give him.

Visitor From South Dakota.

J. M. Thompson of Doland, S. D., arrived this week on a six weeks' visit to his sister, Mrs. Edward Egley, north of Maryville, and his brothers, Ellsworth and Russell Thompson, of near Hopkins.

Mrs. Eri Edmonds of Hopkins was visiting in the city Thursday.

WILL REMODEL IT

NEW TRUST COMPANY TO OCCUPY BUILDING EAST OF BANK.

MAKES MANY CHANGES

Barber Shop to Go South of Bank, VanSteenberghs Go Over Toggery Shop and McCrary to Seek Location.

The new trust company now being organized by the First National bank and S. G. Gillam will occupy the building just east of the bank, that building having been occupied by the Friend barber shop and VanSteenbergh & Son. Such was the announcement made Thursday.

The building is to be remodeled and a new front put in. The floor of the building will be raised to the same height as the floor in the First National bank, and part of the partition between the two buildings will be taken out, so as to have the bank and trust company together. It will probably be two or three months before this work is done, and before the trust company will be located in their building. The First National bank will still continue their banking business.

No other announcement has been made in regard to the trust company now being organized. It will probably be a few weeks yet before the organization work is completed.

The Friend barber shop, which was purchased Wednesday by Ed Godsey and Fred Harbison, will move into the building now occupied by the McCrary millinery shop. That building is also to be remodeled and many improvements made. Mrs. McCrary is undecided where she will move her millinery store, but has several places under consideration. VanSteenbergh & Son, cleaning and pressing shop, which has been occupying the second story of the building over the Friend barber shop, has leased the second story of the building over the Toggery Shop.

COMPANIES TO STAY OUT.

According to Letters Received by Mayor Robey Insurance Companies Will Still Stay Away.

The insurance companies that recently suspended business in the state on account of the Orr law do not intend to resume business here until that law is repealed, so the companies are writing their agents. Mayor Arthur S. Robey received letters Thursday from all of his companies saying that no business relations will be resumed in Missouri until a satisfactory insurance law is given them, as they cannot afford to do business here under the new law.

Conrads Near Pine Bluffs.

Word was received Thursday from Mrs. Arch Frank that her parents and sister, Mr. and Mrs. F. C. Conrad and Miss Nelle Conrad, are within ninety miles of their destination, Pine Bluffs, Wyo., and expect to reach that point in their automobile within a day. They are enjoying the trip in their car, but encountered mud near Fremont, Neb., and have had mud on the way to near Pine Bluffs. They camped out at North Platte, Neb., where they stayed for three nights and two days while their car was being repaired at a garage. The Conrads left here about a week ago.

Trying to Sell Stock.

Ed Hart and J. W. Riley of St. Joseph are in Maryville Thursday, representing the St. Joseph Fire Insurance company, a new company recently organized in that city. The men were here trying to sell stock in the new company.

Visiting Her Sons.

Mrs. D. N. Knox of St. Joseph arrived Thursday to visit the families of her sons, Arthur and Theodore Knox.

Miss Cora Faulkner of Pickering came Thursday to visit the family of her uncle, John Faulkner, north of the city.

Army Worms at Hopkins.

Charles Donlin of Hopkins was discomforted the other day when going into his garden to see his corn wilting, and on investigation found the cause was numerous worms working on it. The Hopkins Journal, in speaking of it, says:

He brought several of the unwelcome invaders to Prof. Bowman and Fred Herbert, who are authority on "wormology," and both pronounced them to be the genuine army worm. It is to be hoped that they are not in sufficient numbers to spread out over the farms and destroy the crops. Prof. Bowman says he has seen them in sufficient numbers to destroy forty acres of wheat in a single night—fields that looked fine in the evening, being laid bare before morning by the worms. An invasion at this time would almost ruin the farmers of Nodaway county.

Saving Missouri Hogs.

The college of agriculture at Columbia has just announced that it is now prepared to supply hog cholera serum in any amounts to the farmers of Missouri at the cost of production. The last legislature made an appropriation for additions to the serum plant and these additions will make it possible for them to meet an ordinary demand for hog cholera serum. The college is now sending out approximately 1,000 doses of serum per day. The enlarged facilities for manufacture will make it possible to increase this output to meet any ordinary demand. The serum is sold at the cost of production which averages about 30c for each animal. Orders for hog cholera serum should be sent to the college of agriculture, veterinary department, Columbia, Mo.

Are Guests at Patterson Home.

Dr. and Mrs. H. G. Patterson of Boise, Idaho, arrived Wednesday on a visit to Dr. Patterson's uncle, C. E. Patterson, and family, living thirteen miles northeast of town. They will be here a week. Other guests at the Patterson home are Mr. and Mrs. V. M. McCamment of Shenandoah, Ia. Mr. and Mrs. McCamment will return to their home Friday.

Returned From St. Joseph.

John Gross, Mike Sturm, Charles Buhler and Will Hansen returned Wednesday night from St. Joseph, where they attended the Catholic Order of Foresters convention. J. F. King of Clyde also returned with the Maryville party and spent the night here with his sister and her husband, Mr. and Mrs. John Gross.

Visited at St. Patrick's School.

Sister Pauline, Sister Ricktrude and Sister Rosina of Malachy's school at Creston, Ia., spent the day Wednesday in Maryville, guests of the Sisters of St. Patrick's parish. The visitors left Wednesday evening for Atchison, Kan., to spend the summer at the mother school, Mt. St. Scholastica academy.

Went Via Sunnybrook.

Over in Nodaway county they have an auto route that goes by a place called Sunnybrook. That name sounds natural and quite a number of our people here will remember a few years ago that several of their good hard coins went via Sunnybrook.—Stanberry Herald.

Called to Kansas City.

Mrs. S. E. Farmer was called to Kansas City, Kan., Thursday morning by the critical illness of her only aunt, Mrs. I. J. Davis.

Visitors From Earling, Ia.

Adam Gross and son, Frank Gross of Earling, Ia., are visiting in Maryville with Mr. Gross' brother, Martin Gross, and family.

Left for Colorado.

Mrs. Lulu Blackman and son, Conrad, left Thursday morning for Sugar City, Col., to spend the summer with her sister, Mrs. Jesse Williams.

Mrs. R. C. Anthony and children went to St. Joseph Thursday morning to visit her sister, Mrs. T. S. Cordill.

Says It's the Only Band.

Mr. F. M. Clutter of Chicago, an eastern band man, spent Wednesday and Thursday in Maryville. He had read of the Missouri Ladies' Military band of Maryville, and stopped off here on his way to Omaha on purpose to hear them play. He attended the rehearsal Wednesday night and was surprised that they were able to play so well when they had been organized so short a time, especially when not one of the girls knew a thing about her instrument when she began. He says this band is now the only ladies' band in the country. After rehearsal Wednesday night Mr. Clutter escorted the girls to the New York Candy Kitchen for refreshment.

Mr. Clutter heard the band play at Washington, D. C., where they played for the suffragette parade. Mr. Clutter will remain over in Maryville this evening and will attend the rehearsal of Miss Nash's orchestra.

The ladies' band will go to Stanberry on Sunday, June 22, where they will play.

St. Patrick's School Picnic.

The children of St. Patrick's parish school spent the day Wednesday picnicking in Atherton's park. A delightful day was spent in playing various games, for which abundant provision had been made. An elaborate dinner was spread at noon and in the evening. The children were in the care of Rev. Fr. Neimann, and the Sisters of the school, Sister Dorothy, Sister Mary, Sister Innocentia, Sister Valeria, Sister Amalberga and Sister Euphalia. Assisting them were Mrs. J. Ed Costello, Mrs. F. M. Ryan, Mrs. M. J. Heffern, Mrs. T. J. Parle, Mrs. K. C. Cummins, Mrs. R. G. Sanders, Mrs. P. J. Murrin, Mrs. P. J. Tobin, Mrs. A. J. Luppold, Mrs. William McDonald, Mrs. Coleman and Mr. and Mrs. Arthur Garten. The guests of the day were Sister Pauline, Sister Ricktrude and Sister Rosina of St. Malachy's school at Creston, Ia.

MRS. McGILL BROKE DOWN

Gives the Real Facts In Regard to Her Case and Tells How She Suffered.

Jonesboro, Ark.—"I suffered a complete break down in health, some time ago," writes Mrs. A. McGill, from this place. "I was very weak and could not do any work. I tried different remedies, but they did me no good.

One day, I got a bottle of Cardui. It did me so much good, I was surprised, and took some more.

Before I took Cardui, I had headache and backache, and sometimes I would cry for hours. Now I am over all that, and can do all kinds of housework. I think it is the greatest medicine on earth."

In the past fifty years, thousands of ladies have written, like Mrs. McGill, to tell of the benefit received from Cardui.

Such testimony, from earnest women, surely indicates the great value of this tonic remedy, for diseases peculiar to women. Are you a sufferer? Yes? Cardui is the medicine you need. We urge you to try it.

N. B.—*Write to:* Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for *Special Instructions*, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

(First insertion June 5, last June 19).

College Students' Popular Fair.

The farmers' county fair is an annual event at the Missouri college of agriculture. It is probably the largest thing in the way of an annual college "stunt" which has ever been attempted by the student body of any agricultural college in America. The date this year was June 3, which is several weeks later than the usual "fair time" at the university. However, the change of date did not lessen the interest of the students, townspeople, and nearby farmers, who came in the usual crowds and packed the grounds from the opening hour until its near-midnight close.

This county fair is unique in many ways. It is entirely the product of students' ingenuity. It has all the features of the usual county fair and a few extras. The "pike" is largely a take-off on similar features of the real fair. The livestock and farm crops shows are not as highly featured as livestock and grain shows are assumed to be, but the educational exhibit as a whole is always a striking feature. The home economics girls take the important responsibility of providing good things to eat and drink. Visitors will testify that they had good providers.

The event opens with a round-the-town parade and closes with confetti. It is an all-day student carnival. The whole thing is hard play, but it is good exercise for mind and body.

PATERSON SHAKEN UP BY BOMB EXPLOSION

Second Attempt to Dynamite Home of Workers.

Paterson, N. J., June 12.—Paterson was shaken by the explosion of a bomb in front of the home of three brothers, who had persistently refused to join the silk strikers. The house was damaged, but the sleeping occupants were uninjured, and later they went to work as usual under an escort of police. It was the second attempt to dynamite their home since the strike began. Sixteen strike pickets were arrested in front of one of the Broad silk mills. The police reported "renewed enthusiasm" on the part of the strikers.

OATMEAL TRUST IS ATTACKED

Quaker Company is Charged With Maintaining Monopoly.

NEW POINT RAISED IN SUIT.

Bill Filed Asks That Company Be Excluded From Interstate Trade Until It Ceases to Violate Sherman Anti-Trust law.

Chicago, June 12.—The Quaker Oats company—the so called oatmeal trust—controlling 90 per cent of the oatmeal products and by-products of the country, was attacked by the federal government in an anti-trust suit filed here, charging a monopoly "in derogation of the common rights of the people of the United States and in violation of the Sherman law."

The suit goes to the unusual length of seeking to have the privilege of interstate commerce withheld until competitive conditions are restored.

The suit is civil and primarily declares that a contract between the Quaker Oats company and the Great Western Cereal company creates a monopoly in violation of the Sherman anti-trust law.

According to James H. Wilkerson, United States district attorney, his action in seeking to withhold the privilege of interstate commerce from the defendants is without a precedent in a suit of the kind. In seeking to bar the defendants from shipping from one state to another, the government asks that the inhibition be made temporary so that the bar may be removed upon good behavior of the defendants, but this removal is not to be permanent, either, for the bill seeks a decision whereinunder the bars may be put up again if there should be future violations.

SUGAR MEN RESENT CHARGES

Admit Being Lobbyists, but Deny Actions Are "Insidious."

Washington, June 12.—Investigation of the "sugar lobby" by the senate lobby committee was turned into a controversy over whether President Wilson had given the sugar producers reason to believe they would have "nothing to fear" from free sugar under his administration.

Out of the day's testimony, in which Louisiana and Hawaiian witnesses repeatedly declared they had not received fair treatment from the president and had been misled by others as to his purpose, the committee succeeded in drawing what are believed to be some of the most important facts thus far developel. Some of the sugar men frankly admitted they constituted a "lobby," although they objected to the charge that any of their actions were "insidious" or in any way illegitimate or underhanded. They admitted that comprehensive campaigns had been organized and carried out, to create "back fires" of senators and representatives from their own states, in the hope of winning their support to the anti-free sugar side.

CONGRESS AND RATE CASE

Willis Prepares Bill to Give Nation Right to Fix Rail Rates.

Washington, June 12.—Extension of the jurisdiction of the interstate commerce commission over intrastate rates on interstate railroads, in accordance with the Minnesota rate decisions, will be proposed in a bill now being prepared by Representatives Willis of Ohio, a Republican member of the house interstate and foreign commerce committee.

The basic principle of this measure will be the right of congress to control absolutely the instrumentalities of interstate commerce, even to the extent of regulating the rates in each state. Such is Representative Willis' interpretation of what the supreme court of the United States held in the Minnesota rate cases to be within the power of congress.

Bitter opposition to the bill is regarded as certain to arise both in the house and senate. Senator Newlands, chairman of the senate interstate commerce committee, takes the position that the states are handling the rate question so satisfactorily that the federal government would not be justified in interfering by exercising its power as outlined by the supreme court.

Dredging Record at Panama Broken.

Panama, June 12.—The record of the monthly dredging operations in the canal was broken in May, when 1,000,000 cubic yards of earth was removed from the two entrances. The greater amount was taken out at the Atlantic end, where a large part of the earth removed consisted of silt washed into the canal by ocean currents.

Japs Seize American Yacht.

Tokyo, June 12.—The American yacht Columbia was seized when she put in at Wakayama, which is not an open port, for repairs. She was on the voyage from Nagasaki to Yokohama.

For Sale

Have listed with us a choice 85 acres, the owner getting old and cannot care for the farm. It is well equipped and an ideal home. Has a house of 6 rooms, 2 barns with cement floors, cow barn with cement floor, smoke house with cement floor, work shop with cement floor, cave, chicken house, separator house, wood house, cement walks, cement tanks, 6 wells, water in every field with cement platforms for each well, fine hog houses, 3 acres alfalfa, balance grass.

This is an attractive home and the land in first class condition; has not been on the market before, and would not be now only for age preventing the owner looking after it. If you are looking for something good see us about this.

120 acres high class farm close in with every convenience possible, fine house and barns, well tiled, cement tanks, feed grinders, granarys, fruit and every thing needed for an ideal farm home. If you are looking for something good see us at once.
